## ABOUT STUDENT INDUCTION PROGRAMME (SIP)

The induction program was brought in with the objective to uplift the level of the entrants to an elevated stage, promote holistic development and enhance their learning outcomes and to help the prospective teachers/teacher educators to adjust who have come with diverse thoughts, backgrounds & perceptions. Every year, Maulana Mazharul Haque Teachers' Training College Mathurapur, Samastipur organizes students' induction program with the view to provide platform to students to familiarize them to new environment and build sense of belongingness with other students and faculty members.

## STUDENT INDUCTION PROGRAMME FOR B.Ed.

For the academic session (2021-2023), Induction Program, was conducted for B.Ed. entrants on November 01, 2021. Chief guest of the program was **Prof. (Dr.) A. M. Jha, Principal R. B. College Dalsinghsarai, Samastipur and Dr. Surendra Prasad, Principal R. N. A. R. College Samastipur**. The induction program began with the “**lighting of deep**” followed by the welcome speech from the Director of the college Md. Abu Zahid. He welcomed the chief guest and the newly admitted students. The Principal Dr. Anjum Waris also welcomed the chief guest and newly inducted students. He familiarized the students with different aspects of the college i.e., faculty, facilities, administration, management and hospitality. The chief guest described about importance of teaching learning to the students and described it as the noble profession. The chairman of the college also motivated the future teacher to become good teacher and serve the society. After this Mr. Ashok Kumar Akela acquainted the students with Program and Course Learning Outcomes of the course. Evaluation criteria including sessional work, house tests and assignments were also explained. The major objective of program was to make the students acquainted with the Program Learning Outcomes of B.Ed. The focus of this program was on scope, expansion, escalation and future prospects of teaching profession. Students were also made aware with the college history, faculty members, and committees, academic and cultural activities. This is done with the objective to develop not only confidence in them but to minimize the stigma regarding new environment. Mr. Intekhab Alam Khan gave details about the activities to be undertaken during internship program and field engagement work. Ms. Savita Kumari marked the end of session with a vote of thanks to all students and faculty members.

## TEACHER ORIENTATION PROGRAM

Teacher orientation program was conducted on 02 January, 2021 with the objective to orient teachers regarding internship of B.Ed. 2<sup>nd</sup> Year. The program was initiated by the principal Dr. C. D. Yadav informed the faculty members about the internship for B.Ed. 2<sup>nd</sup> Year.

Teachers must make sure that Pupil teachers have comprehensive knowledge of various lesson approaches like Herbartian approach, value-based approach, model-based approach, etc. which will benefit them in real classroom teaching and teaching skills. It was decided that lesson plans will be revised and re-planned in order to bring uniformity. The workshop will be conducted on 05-10 January, 2021 under the supervision of Mr. Ashok Kumar Akela for the same. Furthermore, for effective internship, simulation teaching will be conducted after micro practice, for better results.

Energy conservation and waste management policy which was recommended in the meeting of In-House Curriculum Development Cell was also discussed and duties were assigned regarding this.

For enriching the aptitude, creative skills of students' value added and certificate courses should focus on learning outcomes such as enabling them to communicate well, enhancing aesthetic sense, and demonstrate self-defense technique.

## TEACHER ORIENTATION PROGRAMME

Dr. C. D. Yadav oriented the teachers on April 02, 2020 regarding online completion of syllabus during pandemic. He discussed the guidelines issued by Government in lieu of Covid-19. Faculty was asked to work from home and stay safe as the health of teachers and students is the utmost priority of the institution.

Detailed discussion was done for online completion of the remaining syllabus. Various modes like zoom, Google meet; Google Classroom and other online platforms were to be used by the faculty. The class co-coordinators were asked to intimate the same to the students and follow the ongoing timetable.
