The college has a vast wi-fi campus with green environment, equipped with all modern facilities.

Vision

Vision MMHTTC wishes to see the world of tomorrow brighter than ever before by the ideas and enterprise of its students. The institute wants to manufacture a fleet of talent who will have all skills of achieving global presence and competency to command respect and acceptance in the upper echelons of the education world. Our aspirants shall proudly stand accountable to bear responsibilities of their personal and professional lives on the ground ideas and high principles developed by college. Our morals like honesty, integrity combined with the approach of inspiration of being an achiever shall set them apart as humans of courage and enterprise, as bright citizens of world class standards.

Mission

The college was established with the mission to enhance the academic excellence and leadership in university-based teacher education in India through high quality teaching, research, case development, innovative courses and pedagogy of learning.

Our Objectives

In order to maintain relevancy in the society while keeping the mission of the college in mind, it enshrines and promotes certain objectives:

1. To encourage the innovative techniques in the classroom teaching for improving the teaching-learning process.
2. To re-energize research in teacher education by supporting an interdisciplinary approach, which is necessary for advancements in the teaching activity.
3. To help the prospective teachers to become a part of 'intellectual arena' through the seminars, workshops, conferences and other techniques of higher learning.
4. To give ample opportunity to the prospective teachers to diverse social and cultural environment and get them ready for the diverse learning through student/faculty exchange programs.
5. To impart ethical, social, aesthetic values among prospective teachers we indeed trained them with value-oriented education and community service programs.

Message from Chairman

Maulana Mazharul Haque Teacher's Training College is named after great freedom fighter educationist & thinker Maulana Mazharul Haque. The college is located in a natural environment. Open space and greenery all around the campus coupled with vast play-field well equipped laboratory and library, housed in a beautiful building make the college somewhat distinct and unique. The college is working on the guiding principle of Prophet Mohammad "Education is necessary to each man and woman". Education is not merely acquiring knowledge gathering and co-relating fact, it is to see the significance of life as a whole. Good education is "that which is guided with knowledge and inspired by love" I shall sincerely endeavor to release these lofty ideas with the help of our dedicated faculties and guidance of visionary management. I hope the students of this college will have a very comfortable and fruitful stay over and learn a lot for making an education society.

Message from Secretary

It is very rewarding to find the right career & be on right track. Do you enjoy being creative? do you enjoy make people happy? Do you enjoy work that is always challenging?
