ABOUT THE COLLEGE

Maulana Mazharul Haque Teacher's Training College, the first autonomous college in North Bihar, is a premier PG teaching institution recognized by ERC-NCTE (Bhubaneswar), AICTE (New Delhi), and UGC under Sections 2(f) & 12(B). Affiliated with L.N. Mithila University, Darbhanga, and BSEB, Patna, the college offers a multidisciplinary range of programs including B.Ed., D.El.Ed., BBA, BCA, BMS, and MA (Education). Strategically located in the heart of Samastipur district, the college enjoys excellent rail and road connectivity, making it a vital hub for professional education. Established by the Maulana Mazharul Haque Welfare Society, it is committed to delivering quality education rooted in ethical values, cultural heritage, and academic innovation. Driven by a visionary team of educationists, the college fosters creativity, critical thinking, and leadership among future educators. Its eco-friendly, Wi-Fi-enabled campus is equipped with modern infrastructure to support holistic learning and development.

ABOUT THE DEPARTMENT OF EDUCATION (B.Ed. Regular)

Department of Education (B.Ed. Regular) run by the Directorate of Distance Education, Lalit Narayan Mithila University, Darbhanga established in 2012 has created its own niche in teacher education. Focus on quality education, holistic development and professional readiness of pupil-teachers has given it a distinct identity in the state of Bihar.

ABOUT THE SEMINAR

This seminar seeks to convene educators, policymakers, researchers, and teacher educators for a critical reflection on the transformative vision of the National Education Policy (NEP) 2020. It offers a vibrant platform to examine how the role of teachers is being redefined in the 21st century to meet the demands of an evolving educational landscape. The programme will explore emerging paradigms in teacher education, with a focus on professional identity, pedagogical innovation, and digital transformation. It will spotlight NEP 2020's emphasis on Integrated Teacher Education Programmes (ITEP), continuous professional development, and competency-based teaching methodologies. Central to the discussion is the empowerment of teachers as reflective practitioners, curriculum designers, and nation-builders—equipped to thrive in a globalized, technology-driven world. The seminar aims to inspire forward-thinking dialogue and actionable insights that align with the policy's progressive educational framework.

OBJECTIVES OF THE SEMINAR

- To critically understand the evolving roles and responsibilities of teachers in the context of the National Education Policy (NEP) 2020.
- To examine the paradigm, shift from traditional teacher training models to holistic and integrated teacher education frameworks.
- To explore innovative pedagogical strategies and digital competencies essential for 21st-century educators.
- To discuss policy directions, implementation challenges, and institutional readiness for effective NEP 2020 reform execution.
- To foster meaningful collaboration among academicians, teacher educators, and policymakers for future-ready teacher development.
